**Message to the Congress on Continuation of the National Emergency With  
Respect to Stabilization in Iraq**

*May 19, 2009*

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the *Federal Register* for publication. This notice states that the national emergency with respect to the stabilization of Iraq declared in Executive Order 13303 of May 22, 2003, as modified in scope and relied upon for additional steps taken in Executive Order 13315 of August 28, 2003, Executive Order 13350 of July 29, 2004, Executive Order 13364 of November 29, 2004, and Executive Order 13438 of July 17, 2007, is to continue in effect beyond May 22, 2009.

Obstacles to the orderly reconstruction of Iraq, the restoration and maintenance of peace and security in the country, and the development of political, administrative, and economic institutions in Iraq continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Accordingly, I have determined that it is necessary to continue the national emergency with respect to this threat and maintain in force the measures taken to deal with that national emergency.

BARACK OBAMA

The White House,  
May 19, 2009.
